## **Almost September**

We will be experiencing some Cathedral House rearrangements in the first week of September as Fr Stephen Lee (one of the two newly ordained priests this summer) takes up residence and Fr Liam Collister moves on to pastures new at St Julie's, Eccleston, There are a considerable number of clergy moves this September and I hope all those priests who are taking up new appointments at this time will settle in quickly and find fulfilment in their different ministries and that those who are retiring enjoy a continued ministry without the burden of management. Hopefully the first new arrivals for the Chemin Neuf community should take up residence in the Convent House this week

As September begins here are a few tasters of events for the month ahead

The Liverpool Heritage Days are from 10-12<sup>th</sup> September. This year the Cathedral Art Studio will be open to the public from 10am until 3pm on those days. Part of the displays will be designs for the Year of Mercy which can made to order for use in parishes.

The Annual Cathedral Community Mass to mark the beginning of the new term is on Sunday 13<sup>th</sup> September at 11am. Also that afternoon at 3pm Archbishop Malcolm will preside at the 'Pause for Hope' Service to pray for loved ones who have died or are suffering from cancer.

The first three in a series of talks to mark 50 vears since the Second Vatican Council will take place in the Gibberd Room on Tuesday evenings at 7pm beginning on Tuesday 15<sup>th</sup> September with Archbishop Malcolm reflecting on '50 years on since Nostra Aetate'(relations of the church with non Christian religions).

There will be a Mass to celebrate the centenary of the foundation of the Pauline order of priests and sisters at 4pm on 20th September and the Mass with people with Disabilities will be on the following Sunday at 3pm. Archbishop Malcolm will preside at both of these celebrations.

The Sixteen will be in concert in the Cathedral on Friday 18<sup>th</sup> at 7.30pm as part of their annual Cathedral tour series.

I was informed last week that a planning application has been lodged for a development across the road from St Vincent's church. The proposed plans are for two buildings and they incorporate apartment accommodation, offices, galleries and pavement cafe. I'm not sure what the implications might be for the church but I would have concerns if the height of the development blocked the view of the beautiful bell tower, the proximity of the pavement cafe to the church and the implications for parking. Apparently the deadline for consultation is 31st August but I'm sure with this being in the holiday period views can be sent in after this date. If you want to express any opinions about the development it can be accessed on Liverpool City Council Portal ref 15f/1240 and the project planning officer is

Elizabeth.Blake@liverpool.gov.uk.

Just in case you turn up for Mass next week and the East and West Doors of the Cathedral have gone and the areas boarded up please don't panic they haven't been pinched - they have been taken offsite for refurbishment.

### **HOPE+ NEWS**

We are still a very long way from achieving our #FillTheseShelves objective. As we are so busy at present, as fast as donations come in they are going out again. If you can make any donation of food or toiletries from our lists we would be very grateful: however at present we really need tinned fish, pasta and curry sauce, long life fruit juice, and UHT milk. Please be as generous as you can and leave any items in the Food Bank bin which is at the back of the Cathedral and the Crypt. Many thanks for your generosity.

### STUDENT HOUSE

From September a new student residence in the cathedral convent will be offering the support of a shared common life and a Christian setting for study, run by Chemin Neuf Community. For applications & enquiries email 18-30.uk@chemin-neuf.org or call Kate on 07866 794 363.

### **JOURNEY IN FAITH**

This is a process of discernment

for anyone who may be interested

in becoming a Catholic. It is open to those of any faith, religion or world view. We meet on Monday evenings from the end of October until March. At that stage those wishing to be received into the Church are welcomed at the Easter Vigil. Throughout the process (and it is a process rather than a programme or syllabus) there are presentations accompanied by space to pray, to reflect and to discuss. There are no written assessments or examinations! We aim to gather a group any time from now. Would you like to join us?

## ASSISTED DYING BILL POSTCARDS

As you may know there is a very important debate taking place in the House of Commons on 11 September 2015 on a Private Members Bill to legalise assisted suicide. There are many MPs in the House of Commons who are paving close attention to the views of their constituents, and it is very important that we should play our part as much as we can to make our voices heard. There are postcards at the back of the Cathedral and the Crypt and they have been designed to be simple and effective in pointing out the grave risks in this Bill, and they can be signed by anyone of any faith or none who opposes the legalisation of assisted suicide. Please take one of the postcards and either send it yourself, or give them out to colleagues and friends to send to your local MP. There is a list of names and address of local MP's on the notice board in the Crypt and at

the back of the Cathedral

It is appreciated that the middle of the summer holidays is the least convenient time to receive these postcards. The timing of the debate – 11 September – leaves little option but to act now.

Please alert yourselves to this issue and either write directly or send a postcard. Thank you. Please collect a postcard from the back of the Cathedral or the Crypt.
